Meeting Place of CATIDE D/A Operation			

REFERENCES: A. EAVA 35328, 28 January 1965
 D. EGMA 65293, 1 October 1964

Many thanks for your efforts to locate the installation we described in Reference B. We have recently learned from ☐ that the meeting actually took place in that city. We were quite interested to learn of Vienna Station's ability to "piggy back" an operation similar to that of CATIDE's and should the opportunity arrive we shall certainly ask for your assistance.
